

Re-Elect Linda Evans - La Quinta Mayor 2020 Let's Celebrate La Quinta - TOGETHER!

THANK YOU for the privilege of serving as your Mayor for the past six years. I made a commitment to work hard, bring new energy and engage our residents – and that commitment remains. I take the representation you elected me for very seriously, by making informed decisions based on what is best for our residents and the City for the short and long term.

I'm pleased at the progress we've made TOGETHER to enhance the quality of life in La Quinta, as well as for the good of our Valley. As a city, we continue to enhance and improve our services while remaining SAFE, vibrant, and desirable. Our accomplishments are many - even with the challenges caused by the coronavirus and its impact on our health and economy. Over the last few years we have opened new businesses, enhanced our flood control systems, added more affordable housing, reinvested in the North La Quinta landscaping, assisted and invested in programs for the homeless and food insecure, created exciting new events to enjoy, maintained and improved parks and trails, and held strong financial reserves.

Your continued engagement to provide feedback, input, and participation is important to me. Together, we collectively create our quality of life. Our Council will continue to move forward Vision Highway 111, Montage and Pendry Hotels at SilverRock, growth and enhancement of the Village/Old Town area, more affordable housing, and collaboration with law enforcement to ensure a balance of equity and safety for all.

We have taken this journey together, and I appreciate the support and teamwork along the way. I'm driven by the support, participation, and engagement of our residents – it makes the job to serve our community so much more enjoyable. It's a team effort – and I am grateful to be part of our La Quinta team.

I ask for your vote – again – to continue to work hard and serve our residents, business community, visitors and the valley. I am committed to preserve, protect, and enhance all that we LOVE about La Quinta now and for years to come.

Thank you!

Linda
